## **3 Year Warranty**

Kangaroo Building Services has a continuing goal of providing you, the customer, with outstanding customer service and workmanship.

In order to assure you the customer of superior quality, all paint services, with some noted exceptions\*, completed by Kangaroo Building Services are guaranteed not to peel or flake for a period of five years from the date of completion of the job. This warranty is limited to workmanship and only applies to the original customer. The paint itself is guaranteed by the paint manufacturer and not by Kangaroo Building Services. Some issues of peeling may be due to influences other than workmanship and are not covered by this warranty.

If a defect in workmanship appears and is reported to Kangaroo Building Services in writing within the five year period, we will inspect the affected areas and make any necessary repairs to the paint. Underlying wood, masonite, brick, metal, and all other substrates are not covered by this warranty.

The sole remedy against Kangaroo Building Services shall be for repairing the defective paint area and not any consequential damages to the substrates.

**\*Exceptions:**

The following items are not covered by this warranty: Exterior doors painted with oil enamel, all exterior thresholds, garage floors, and exterior sheetrock ceilings. Areas where paint is exposed to excessive water such as areas low to the ground or near automatic sprinklers are excluded from the warranty. Standard exterior paints are not intended to be exposed to excessive water

The following items are covered by a 2 year warranty: Carpentry stained exterior doors, decks, fences, other exterior stained surfaces and painted window lintels.
